Rep. Dennis Ozment honored by MASWCDs

BLOOMINGTON, Minn. — The Minnesota Association of Soil and Water Conservation Districts has selected Rep. Dennis Ozment of Rosemount as its “Legislator of the Year.” He was chosen during the association’s recent annual meeting in Bloomington.

The association says Ozment is a long-time leader and supporter of conservation and natural resources and is chairman of the House Agriculture, Environment and Natural Resources Finance Committee.

MASWCD legislative specialist Judy Erickson said Ozment is a strong supporter of local Soil and Water Conservation District and Board of Water and Soil Resources programs.
