

MASWCD Leadership Institute Class of 2004-2006

The 2004-2006 "Leadership For This Century Educational Program" kicked-off at the end of March, 2004 and participants graduated in February and March, 2006. Over 50 individuals from across Minnesota took part in the program, including SWCD staff and supervisors as well as staff with the Natural Resources Conservation Service (NRCS) and the Board of Water and Soil Resources (BWSR). Participants attended 8 two-day workshops over approximately 18 months, and were divided into two classes (pictured below at their graduation ceremonies).
